**3 HOUR FREE PARKING:** Winfield provides up to 3 free hours of customer parking in the downtown business district. The 3 hour free parking is a total accumulation of time parked in the business district per day. You may move your car as many times as you wish. The 3 hour time limit is monitored by a parking control officer who records the parked vehicles every 1 1/2 hours. Vehicles monitored in more than two 1 1/2 periods in each day will be considered in violation.

**PARKING LOTS:** There are four metered parking lots located on the four corners of the downtown business district. They are at 8th and Millington, 10th and Millington, 10th and Manning, and 8th and Manning. These lots contain coined meters which allow customers the opportunity to park for longer than 3 hours per day. Each parking lot also contains additional un-metered 3 hour free parking.

**PARKING PERMITS:** Parking permits allow persons to park in designated areas for a maximum of 12 hours. At the time of purchase, a map will be issued to the permit holder detailing where permit parking is allowed. These permits may be purchased from the City Hall at 9th and Millington at a cost of:

3 months .....	\$15.00
6 months .....	\$30.00
1 year .....	\$55.00

They are located at the Northwest corner of 8th and Manning, the Southeast corner of 10th and Manning, the Southwest corner of 10th and Loomis, and in the 700 blk of Millington north of the Episcopal Church.

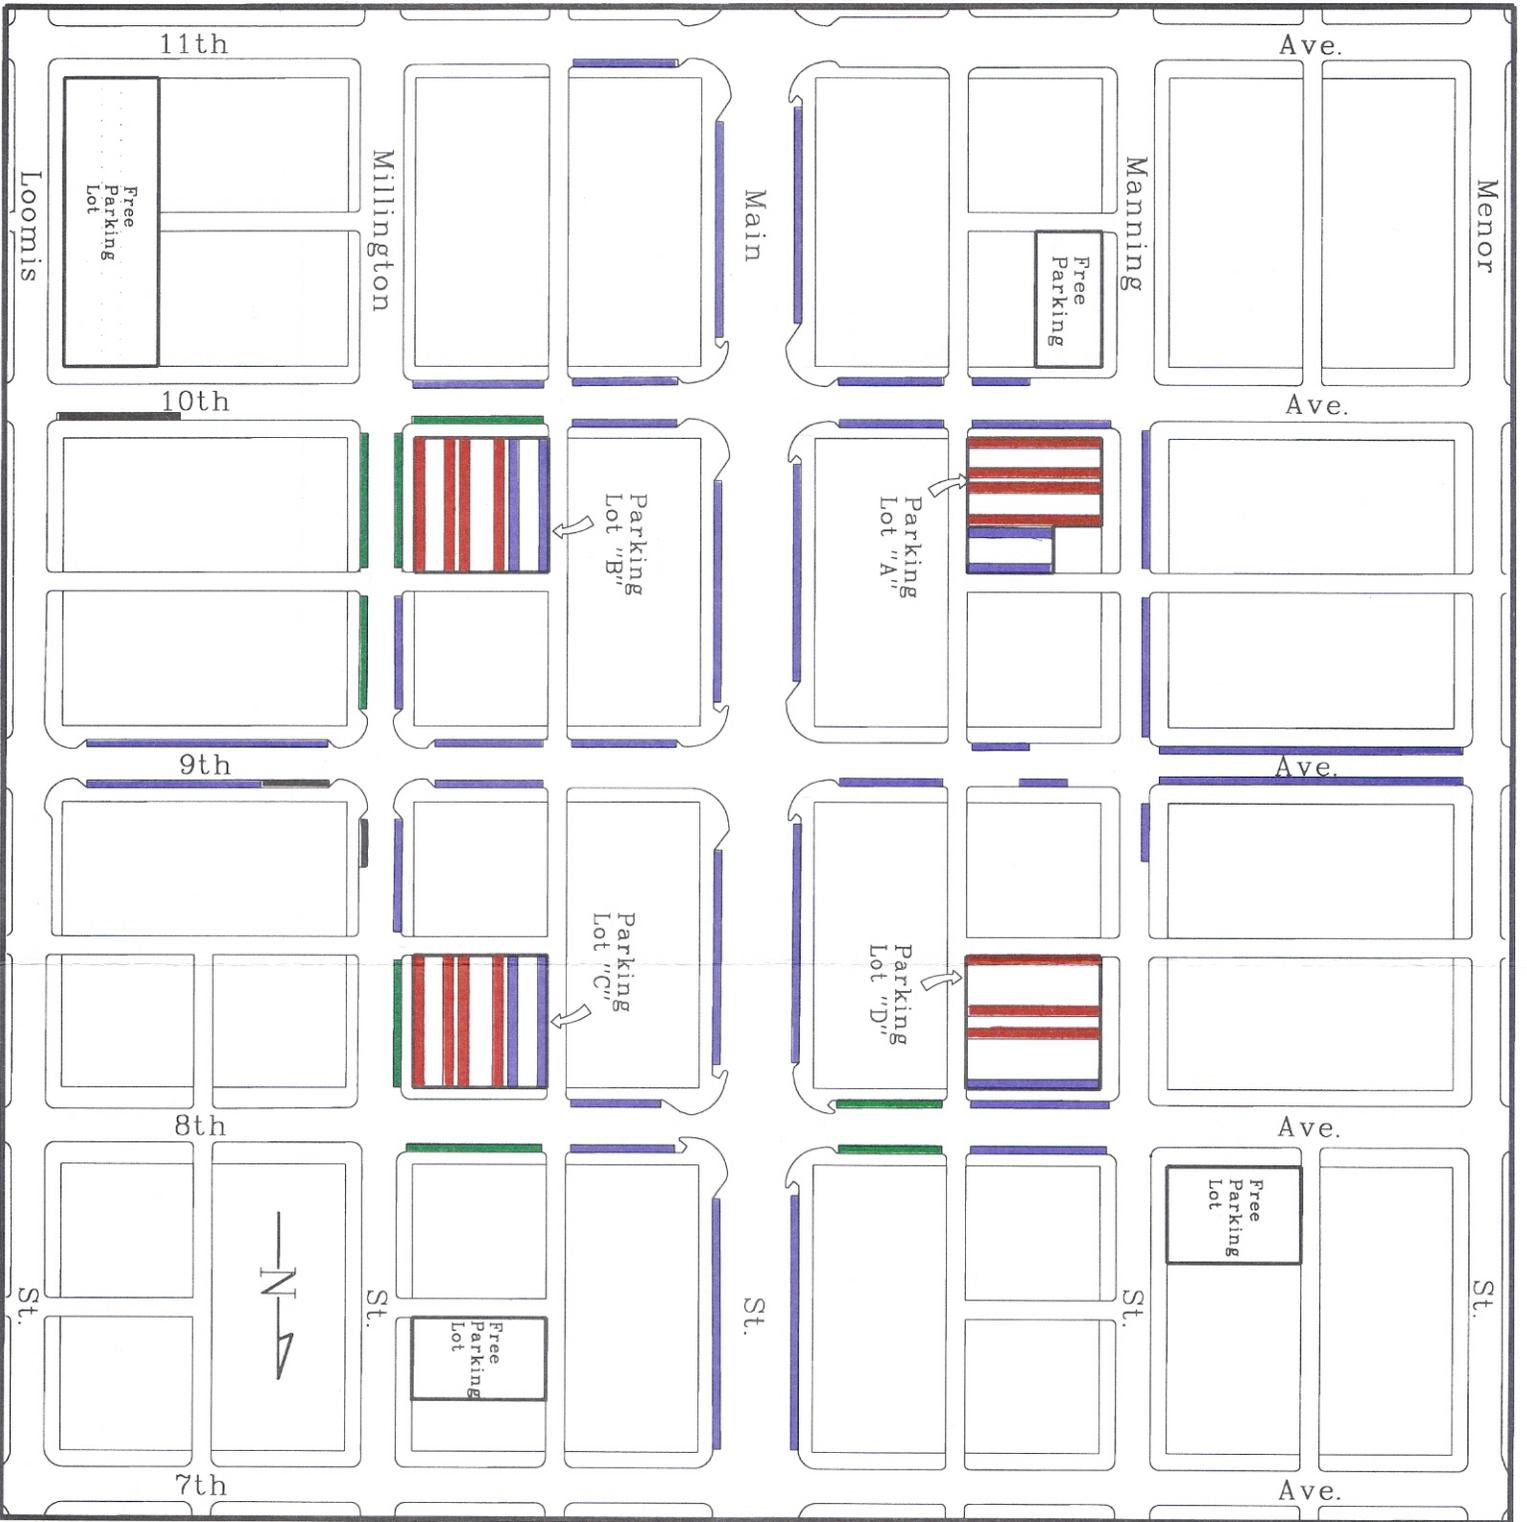

**FINES FOR VIOLATIONS:** The first time you are found to be in violation of the parking ordinance you will be given a courtesy warning ticket. The second violation will result in a \$5.00 fine; the third violation will result in a \$15.00 fine; and the fourth and subsequent violation in a six month period will result in a \$25.00 fine.
