### Note

1. False information on this permit or variation from the privileges granted herein may void the permit and require immediate disbanding of the activity or expulsion from the City Lake.
2. A copy of the City Lake Rules and Regulations is attached. It is the responsibility of the group representatives listed above to inform all persons attending of the rules and regulations, including the purchase of motor vehicle permits and applicable camping fees.
3. Persons remaining at the City Lake after their daytime permit expires will be required to pay the applicable overnight permit fee.
4. Confine all fires to the grills and fired rings. DO NOT dig pits, place cookers on grass, or erect tents or canopies without written permission on the application.
5. During the proposed event, this permit must be presented to City Lake or law enforcement personnel upon request.
6. This application must be received by the City Lake Foreman at least 3 working days prior to the proposed event.

I agree to be responsible for this group as listed above. I understand that the laws of Kansas and the rules and regulations of the City of Winfield must be upheld and that citations will be issued for violations. I agree to see that the area is policed and cleaned up upon departure or, if dark, by no later than 9:00 a.m. the following morning.
